VISION

Our aim is to provide the best possible talent according to the requirement of our clients. To ensure periodical improvements in services to ensure that quality of work is not compromised by the quantity of work. To provide stable and decent employment to our candidates according to their efficiency. To continuously upgrade our recruitment process to provide the best services.

MISSION

We aspire to become the leading and most preferred partner in India in recruitment sector. To achieve operational excellence by delivering world class H.R services to our valued clients tailored according to their needs.

VALUES

Commitment, Honesty and Transparency

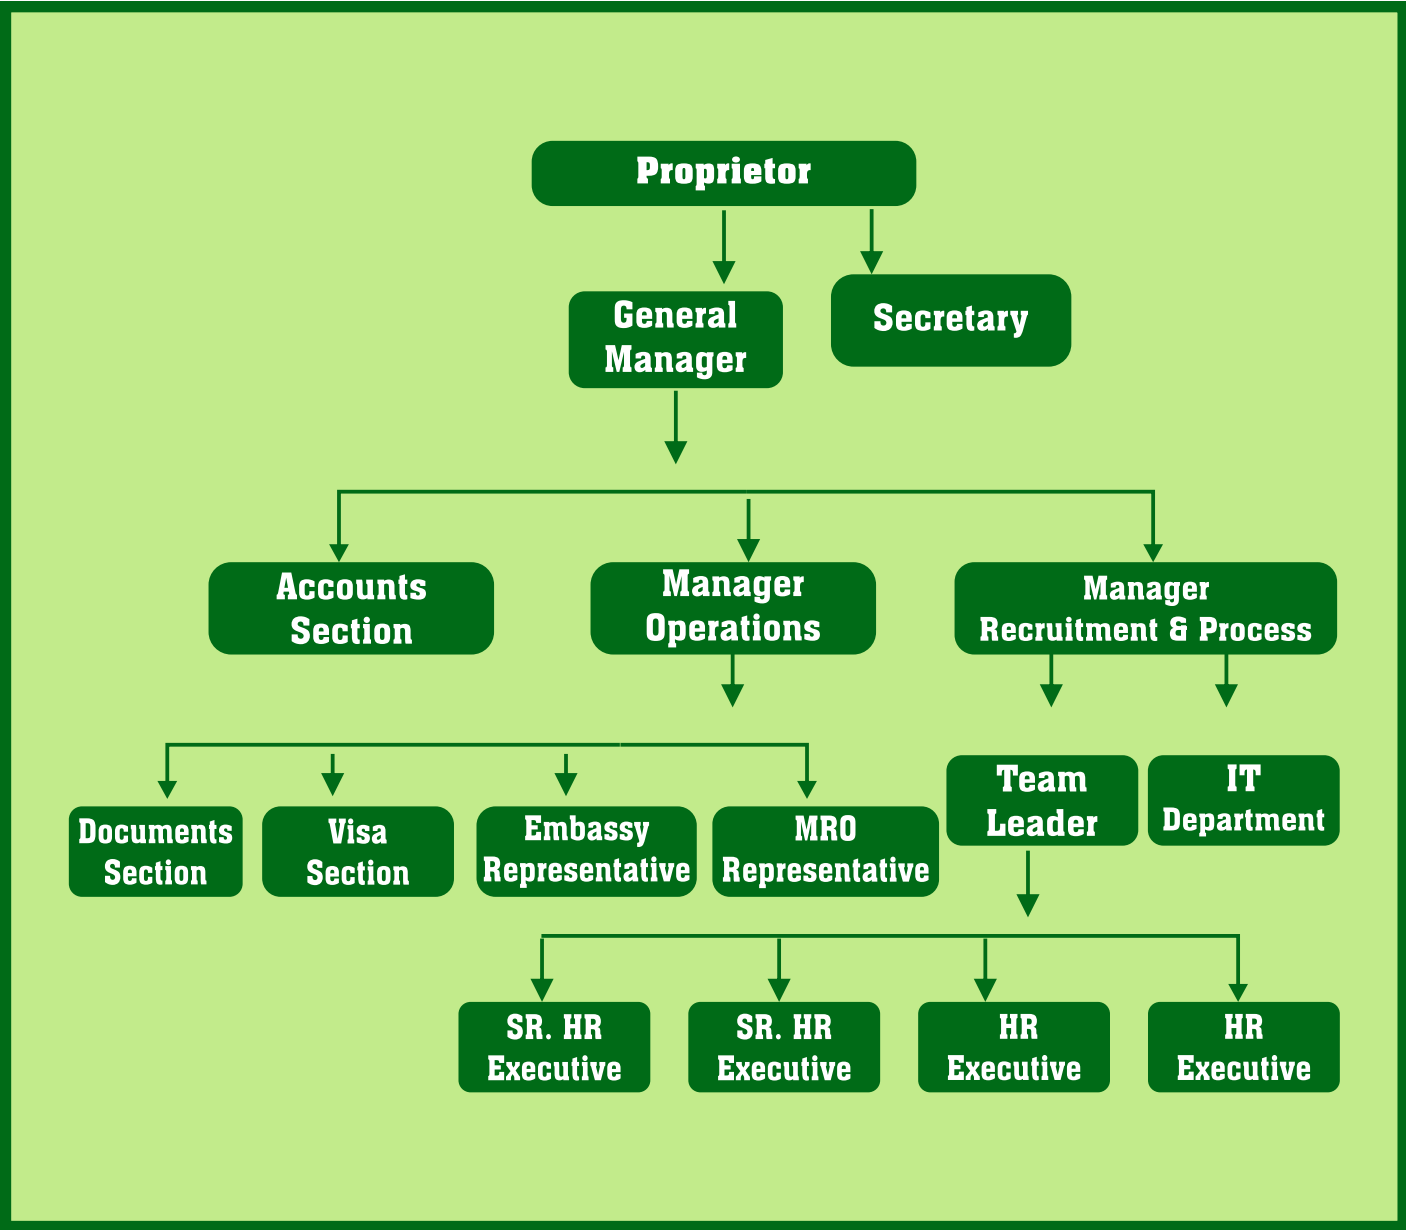

We always honour our words given to our clients and candidates

Hard Work: We believe in hard work and serve our clients to the best of our abilities and their utmost satisfaction.

Professionalism and excellence are our motto and sign of our being distinct in the field.

Organizational Structure

Our Services

Experience. Expertise. Excellence.

Services:

We extend services leveraging our unparalleled expertise of professional recruitment principles, along with a deep understanding of international man power recruitment process, and provide comprehensive HR services and recruitment solutions to maximize our clients' manpower potential.

Our International Recruitment Service: Providing an immigration advice is often a service that we offer as part of recruitment package to our prospective and current clients.

Recruitment Methodology:

Utilizing our vast experience, expertise and computerized database we select the profiles to match with the requirements of our clients. Once the candidates are shortlisted as per criteria laid down by the client, their resume are forwarded to the client for further screening, once the potential candidate has been identified, the next step is his selection test, oral or practical, by the employer or his authorized representative.

For this we make complete arrangements for travel, accommodation etc, ensuring that the candidate reaches the place at the right time.

In case we are entrusted with the selection & testing of the prospective employee, we conduct it with the help of a panel of experts, for technical & professional categories, under direct supervision of our professional executives.

Visa Assistance:

Being cognizant of the all intricacies involved in an international recruitment procedure, we specialize in providing fast and dependable services. The experience gained through processing millions of travel documents guarantees to have your visa handled quickly (even overnight), accurately and professionally.

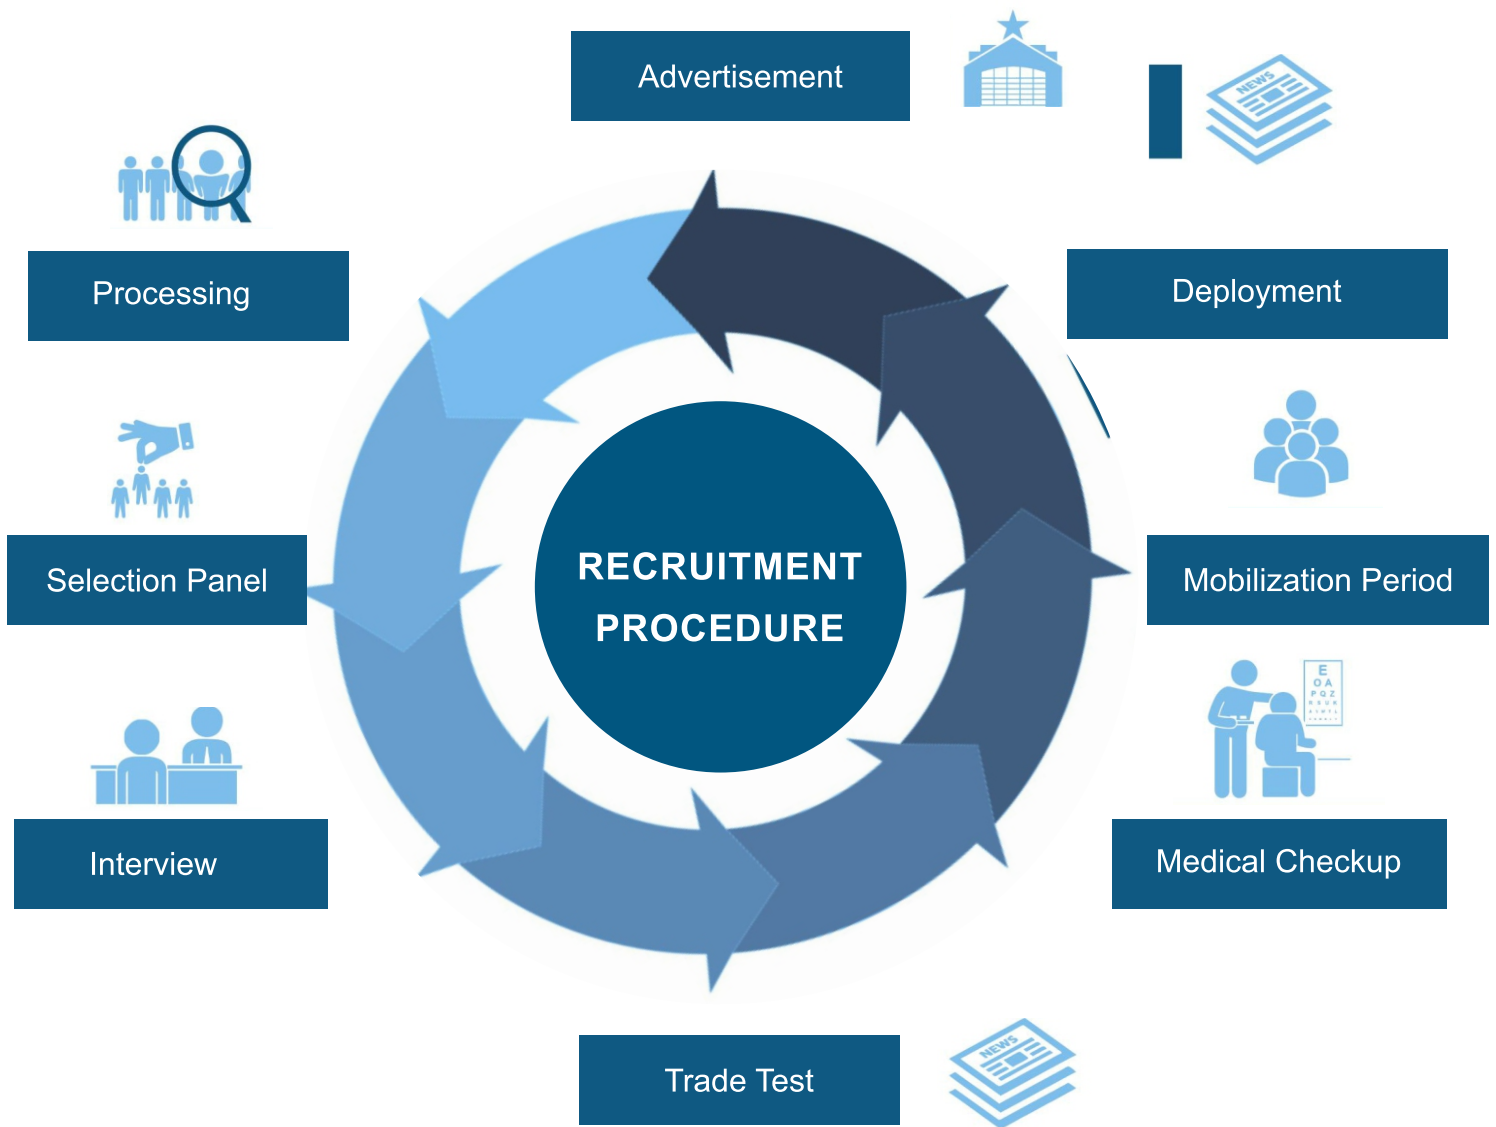

Our visa services are applicable to the following areas:

Employment Visa, Visit Visa and Work Permits for warded to the client for further screening once the potential candidate has been identified, the next step is his selection test, oral or practical, by the employer or his authorized representative.

DELHI MANPOWER EXPRESS

Recruitment Process

Customized Recruitment Solutions

Why us?

Delhi Manpower Express has well qualified and experienced professionals to assist the customization of sourcing strategies to identify and hire the right talent to match up best with the requirements of our clients. Our rich and vast experience helped us create a well organized database consisting of CV's of candidates from different industries which we refer to help our clients fulfil their requirements. Based on the requirement of the job profile, we search for candidates from our online database and also advertise in local/all India newspapers as well as online job portals.

Our recruitment procedure is a highly defined and exclusive process, instrumented by priority, precision, pragmatism and expediency. The company adheres to a highly competitive and standardized methodology for the process of selecting 'the best' from amongst 'the best'.

We provide services like travel arrangements, ticketing, accommodation etc, for the candidate after their selection for further evaluation by clients. We also help our clients with the selection & testing of the candidate, we conduct it with the help of a panel of experts, for technical & professional categories, under direct supervision of our professional. Our people work to give our clients wide range of solutions associated with recruitment and manpower or everything they need.

To provide a hassle-free recruitment procedure and save our clients and candidates from unnecessary exigencies. We also provide them with services like attestation of documents, medical, trade-test, obtaining passport, visa- processing, immigration, and airline reservations.

The trademark of our organization is our quality staffing and recruitment coupled with a personalized touch. We endeavour to build long term relationship with our clients, based on high standard, performance, mutual trust and absolute client and candidate satisfaction.
